How can I earn college credits from my GED?

On the GED test, a score must be 175 or higher.

Does every college award 10 credits?

Check with the college to determine if they will award 10 credits through the GED test for the program in which you will be enrolled.

GED Scores Earn These College Credits

A score of 175 to 200 on the GED Test will earn college credits in:

• Mathematics (3 credits)
• Social Studies (3 credits)
• Science (3 credits)
• Humanities (1 credit)

In Maryland, the following colleges and universities will award up to 10 credits in selected college programs:

Anne Arundel Community College
Bowie State University
Capitol Technology University
Carroll Community College
Coppin State University
Montgomery College
Morgan State University
Salisbury University
University of Maryland Eastern Shore
University of Maryland University College

If you earn a score of 175 or better on the GED test, you will be eligible to receive 10 college credits at selected colleges and universities in the United States. In Maryland, there are 10 colleges and universities that will award credits for the GED Test in Math, Science, Social Studies, and Humanities.

Always check for your specific program for details.
