CANCELLATIONS

The following is hereby replaced by this policy issuance:

- Policy Issuance (PI) 2014-17, Workforce Investment Act (WIA) Title I Program Eligibility, December 3, 2014;
- PI 2015-04, Workforce Innovation and Opportunity Act (WIOA) Title I Program Eligibility, June 25, 2015.

Note: All previous policies on Title 1 Program Eligibility requirements remain active for program participants during that policy's effective dates. These policies are archived and available at:

GENERAL INFORMATION

The U.S. Department of Labor (USDOL)'s Employment and Training Administration (ETA) has statutory and regulatory authority to administer and monitor performance of the Maryland Department of Labor, Licensing and Regulation (DLLR)'s Division of Workforce Development and Adult Learning (DWDAL) job training and employment programs. This includes the Workforce Innovation and Opportunity Act (WIOA) Title 1 programs:

- Adult Program;
- Dislocated Worker Program; and,
- Youth Programs – Out of School Youth (OSY) and In School Youth (ISY).

ETA uses information that is collected during monitoring of WIOA Title I programs to assess the performance of the State, Local Workforce Development Areas (LWDAs), and other grantees to assure requisite data are provided and programs are monitored. Therefore, all State, LWDAs, and other grantees must collect and report timely and accurate information on all WIOA Title 1 programs' participants, as required.

PARTICIPANT FILE CASE RECORDS FOR WIOA TITLE I PROGRAMS

LWDA staff and other grantee staff must develop an adequate organization system to ensure that the information contained in participant¹ records is well documented, consistent, accessible and accurate from the point of program registration to the point of exit.² Case notes must tell a story regarding all services that are received. Supervisors and Directors must ensure that all staff document case notes in both the Maryland Workforce Exchange (MWE) and individual participant files, as prescribed in this policy.

When determining eligibility, staff are encouraged to document all barriers to employment that an individual might disclose. This information is key to the determination of local performance metrics and ultimately the negotiation of local performance goals. It also helps to determine priority of service and provides an accurate understanding of the customers served through Maryland's workforce system.

The remainder of this policy details WIOA Title 1 participant eligibility criteria and source documentation requirements for data validation.

¹ A "participant" is an individual engaged in a core program beyond self-service or information-only services. A "youth participant" is a reportable individual when he/she has satisfied all applicable program requirements for the provision of services, including eligibility determination, an objective assessment, and development of an individual service strategy, and received 1 of the 14 WIOA youth program elements identified in sec. 129(c)(2) of WIOA.

² The "point of exit" refers to the last date a participant received services, not including self-service, information only, or follow up services, where no future services are scheduled. These services are not counted in the measurement of 90 days of no service. An exiter may access the system and receive services assigned by the system.

PARTICIPANT ELIGIBILITY CRITERIA FOR WIOA TITLE I PROGRAMS

Title 1 of WIOA provides authority for three programs: Adult, Dislocated Worker, and Youth programs. The following sections outline the eligibility requirements for each program’s participants.

ADULT PROGRAM

To participate in the WIOA Adult Program, an individual must meet the following eligibility requirements:

1. 18 years of age or older;
2. U.S. citizen or non-citizen authorized to work in the U.S.;
3. Meet Military Selective Service registration, if applicable.³

WIOA Target Populations & Priority of Service

For WIOA Title I Adult Program employment and training services, local workforce areas must provide priority of service to individuals in the following target populations, in accordance with the Act, the State Plan, and the approved Local Plan.

*Target Populations: Individuals with Barriers to Employment
Displaced Homemakers
Eligible migrant and seasonal farmworkers
Ex-offenders
Homeless individuals
Individuals facing substantial cultural barriers
Individuals with disabilities, including youth with disabilities
Individuals within two years of exhausting lifetime eligibility under Part A of the Social Security Act ⁴
Individuals who are English language learners
Individuals who are unemployed, including the long-term unemployed
Individuals who have low levels of literacy
Individuals without a High School Diploma
Low income individuals (including TANF and SNAP recipients)
Native Americans, Alaskan Natives, and Native Hawaiians
Older individuals
Single parents (including single pregnant women and non-custodial parents)
Veterans
Youth who are in or have aged out of the foster care system

Maryland is committed to ensuring its target populations are able to access the WIOA system on a priority basis. For the WIOA Title I Adult Program, priority must be provided in the following order:

Priority of Service for the WIOA Title I Adult Program	
First Priority	Veterans and eligible spouses ⁵ who are also low-income, ⁶ recipients of public assistance and/or basic skills deficient
Second Priority	Individuals who are meet criteria to be considered a target population* (including veterans)
Third Priority	Eligible spouses who did not meet "first priority" conditions
Fourth Priority	Individuals who are not veterans and do not meet criteria to be considered a target population

³ Certain individuals may be exempt from Selective Service. LWDA's must have a process in place for documenting exemptions.

⁴ This refers to the TANF program. Each State defines lifetime eligibility for TANF. In Maryland, individuals can receive TANF benefits for up to five years. If individuals reach year four and five of receipt of TANF benefits, these individuals become a targeted population according to WIOA, irrespective of the fact that after year five, individuals may continue to receive TANF benefits due to hardship.

⁵ Questions regarding priority of service for veterans and/or WIOA target populations, as identified in this section, may be directed to the DLLR Office of Workforce Development.

⁶ "Low income" is defined by WIOA - <http://www.dllr.maryland.gov/employment/wioatechdoc.pdf>.

DISLOCATED WORKER PROGRAM

To participate in the WIOA Dislocated Worker Program, an individual must first meet the definition of a Dislocated Worker. According to WIOA, a dislocated worker must:

1. Be a U.S. citizen or non-citizen authorized to work in the U.S.;
2. Meet Military Selective Service Registration, if applicable;
3. Meet the definition in WIOA Section 3(15):

(iii) is unlikely to return to a previous industry or occupation⁸;
 - (B) (i) Has been terminated or laid off, or has received a notice of termination or layoff, from employment as a result of any permanent closure of, or any substantial layoff at, a plant, facility, or enterprise;

YOUTH PROGRAM

To participate in the WIOA Youth Program, at a minimum, a youth must:

1. Be a U.S. citizen or non-citizen authorized to work in the U.S.;
2. Register for Military Selective Service, if applicable;⁹ and,
3. Meet the WIOA In-School Youth (ISY) or Out-of-School Youth (OSY) eligibility criteria specified in this Policy Issuance.

⁷ “Duration sufficient to demonstrate...an attachment to the workforce” means any labor performance in any occupation where the employee has worked for two full pay periods or one month, whichever is less.

⁸ In Maryland, “unlikely to return to previous industry or occupation” is locally defined by each of the State’s 12 local workforce areas. The definition can be found in each area’s WIOA Local Plan.

⁹ If a male youth turns 18 while participating in a WIOA funded program, he must register for Selective Service within 30 days of age change.

Out of School Youth (OSY)

An OSY is defined by WIOA Section 129(a)(1)(b) as an individual who is:

1. Not attending any school;
2. Between the ages of 16-24 at time of enrollment;¹⁰ and,
3. One or more of the following:
 - A school dropout¹¹;
 - A youth who is within the age of compulsory school attendance,¹² but has not attended school for at least the most recent complete school year calendar quarter. School year calendar quarter is based on how a local school district defines its school year quarters. (Note: In line with WIOA, in providing assistance to an OSY who is required to attend school under Maryland law, the priority in providing such assistance shall be for the individual to attend school regularly);
 - A recipient of a secondary school diploma or its recognized equivalent who is a low-income individual and is either basic skills deficient or an English Language Learner (ELL);
 - An individual who is subject to the juvenile or adult justice system;
 - A homeless individual or a runaway;
 - An individual who is in foster care or has aged out of the foster care system, or who has attained 16 years of age and left foster care for kinship guardianship or adoption, a child eligible for assistance under Section 477 of the Social Security Act (42 U.S.C. 677), or an individual who is in an out of home placement;
 - An individual who is pregnant or parenting;¹³
 - An individual with a disability; and/or,
 - A low-income individual who requires additional assistance to enter or complete an educational program or to secure or hold employment, as defined by the LWDA Local Plan.

In-School Youth (ISY)

An ISY is defined by WIOA Section 129(a)(1)(c) as an individual who is:

1. Attending school;¹⁴
2. Between the ages of 14-21 at the time of enrollment;¹⁵
3. Low-income;¹⁶ and
4. One or more of the following:
 - Basic skills deficient;
 - An English language learner;
 - An offender;
 - A homeless youth or a runaway;

¹⁰ Participants may continue to receive services beyond the age of 24 once they are enrolled in the program, because age eligibility is based on age at enrollment.

¹¹ High school equivalency programs and drop-out reengagement programs are not considered “schools,” for these purposes.

¹² Effective July 1, 2015, each child who resides in Maryland and is 5 years old or older and under 17 shall attend a public school regularly during the entire school year, unless the child is otherwise exempted due to attainment of a high school diploma or GED; is receiving regular, thorough instruction during the school year in the studies usually taught in the public schools to children of the same age or has completed such instruction; is married; is active military; attends an alternate education program; or is within any other exemptions listed in Education Article, §7-301, Annotated Code of Maryland. Effective July 1, 2017, the age for compulsory public school attendance will change to ages 5-18. (Source: Education Article, §7-301, Annotated Code of Maryland (Age for Compulsory Public School Attendance)).

¹³ Including non-custodial parents, such as fathers.

¹⁴ Providers of adult education under title II of WIOA, YouthBuild programs, or Job Corps programs are not considered “schools.” Therefore, if the only “school” the youth attends is adult education provided under title II of WIOA, YouthBuild, or Job Corps, the Department will consider the individual an OSY youth for purposes of title I of WIOA youth program eligibility.

¹⁵ Unless the youth is an individual with a disability, who is attending school under Maryland law

¹⁶ See “Other Youth Eligibility”

- A youth in foster care or has aged out of the foster care system;
- Pregnant or parenting;
- A youth who is an individual with a disability; and/or,

Other Youth Eligibility

SOURCE DOCUMENTATION FOR WIOA TITLE I PROGRAMS

The following chart details the acceptable source documentation for each eligibility criterion.

Note: there are some limited circumstances that may warrant self-certification, as detailed below. Self-certification should only be used in circumstances where alternative documentation is unavailable. Self-certification occurs when a participant states his or her status for a particular data element, such as pregnant or parenting youth, and then signs and dates a form acknowledging this status. In accordance with TEGL 22-15, the key elements for self-certification are: (a) the participant identifying his or her status for permitted criteria and (b) signing and dating a form attesting to this self-identification. USDOL and DLLR will monitor for overuse of self-certification when determining program eligibility.
