Subject: Conflict of Interest policy for local workforce boards

I. Purpose.
The purpose of the conflict of interest policy for state or local workforce investment board members is to ensure that board members' private financial interests and personal relationships do not conflict with their public obligations. The law is broadly written to prevent a board member from becoming involved in a situation that would result in a conflict or give the appearance of a conflict.

The Department of Labor, as part of its assessment of the workforce system of Maryland, identified the need for the development of a policy that guides state and local workforce agencies.

II. Background.
The Workforce Investment Act of 1998 (WIA) Sections 111 (f) Conflict of Interest states "A member of a State board may not--(1) vote on a matter under consideration by the State board--(A) regarding the provision of services by such member (or by an entity that such member represents); or(B) that would provide direct financial benefit to such member or the immediate family of such
member; or (2) engage in any other activity determined by the Governor to constitute a conflict of interest as specified in the State plan."

WIA Section 117 (g) further states "A member of a local board may not--(1) vote on a matter under consideration by the local board--(A) regarding the provision of services by such member (or by an entity that such member represents); or (B) that would provide direct financial benefit to such member or the immediate family of such member; or (2) engage in any other activity determined by the Governor to constitute a conflict of interest as specified in the State plan. " Finally, WIA Section 112(b)(13) states the State Plan must contain "information specifying the actions that constitute a conflict of interest prohibited in the State for purposes of sections 111(f) and 117(g)."

Maryland State Law governing Conflicts of Interest and Regulations governing Travel Policy is found at State Government §15-501 et seq. and §15-803 et seq. Maryland Annotated Code; COMAR 23.02.01.

III. Policy.
Members of the Governor's Workforce Investment Board (GWIB or State Board) and its staff are subject to the Maryland State Government Public Ethics Conflict of Interest Provisions found at State Government §15-501 et seq. Maryland Annotated Code (ATTACHED).

Members of the Local Workforce Investment Boards and their employees are subject to the ethics laws enacted by their local jurisdiction pursuant to State Government §15-803 et seq. Maryland Annotated Code (ATTACHED). To the extent that a local board and their employees are subject to more than one jurisdiction, in the event of a conflict among the ethics rules, the most stringent rule will apply.

Each member of the State and local boards serves without compensation, but is entitled to reimbursement for expenses in accordance with the Maryland Standard State Travel Regulations, COMAR 23.02.01 (ATTACHED).

IV. Action Required by LWIB.
All Local Workforce Investment Boards will have a signed acknowledgement by each member that they are aware of the Ethics requirements and agree to comply.

The members of the Governor's Workforce Board (GWIB) will provide the GWIB Director with the confirmation of the filing of their annual Maryland State Ethics Commission Financial Disclosure Statement each year.
