RECRUITMENT

PART OF THE SHEPPARD PRATT HEALTH SYSTEM:

Family Support Specialist

<https://www.sheppardpratt.org/careers/>

Healthy Families Montgomery, a nationally accredited home visiting program, serving first time parents in Montgomery County has an entry level opening for a Family Support Specialist. The Healthy Families Montgomery team is looking for an individual who enjoys using a strength based approach in working one-on-one with families of young children in their home environment. HFM has a comprehensive training program for new staff and a strong management/supervision team. The ideal candidate would be someone who is a recent college graduate, understands the needs of infants and toddlers and who appreciates the role of facilitating success. Experience may substitute for education.

Opportunities include the enjoyment of working with a dedicated and experienced team as part of a non-profit organization that has an excellent reputation for service in the community.

Requirements include daily use of a personal vehicle to travel within Montgomery County and English/Spanish skills. Typical hours are 8:30 – 5:00 Monday-Friday.
