

## Benchmarks of Success for Maryland's Workforce System

### Data and Dashboard Committee Charter

---

#### Vision

The *Benchmarks of Success for Maryland's Workforce System* is a framework used by Maryland workforce development system partners to build system effectiveness, support transparency about progress, and help State and local WIOA partners align resources and strategies with its intentions.

#### Mission

The mission of the Data and Dashboard Committee is to develop a consistent, sustainable system all workforce partners can use to measure, analyze display and apply Benchmarks data to continuously improve the quality and effectiveness of services.

#### Committee Goals

- Maintain a glossary of terms.
- Develop metrics to assess baselines for benchmarks.
- Develop a timeline for activities.
- Measure system progress in meeting benchmarks over time.
- Develop processes and tools for reporting benchmark performance.
- Provide ongoing technical assistance for data analysis-related issues.
- Explore potential platforms for data sharing across partner agencies, such as the MD Think.
- Maintain communication with the WIOA Alignment Workgroup and other committees.

#### Meeting Schedule

The Committee will hold regular two-hour meetings on a monthly basis, and may occasionally meet more often, as needed.

#### Membership and Roles

The Committee will include 12 – 16 members who represent stakeholders from the core programs identified in the Workforce Innovation and Opportunity Act (WIOA) Maryland State Plan. Membership should include individuals who represent both State and local perspectives and reflect geographic diversity.

LiLi Taylor and Milena Kornyl will chair the Committee. Natalie Clements will serve as the Committee Coordinator.
