WIFI 04-04: Recertification of Local Workforce Investment Boards (LWIBs)

BACKGROUND INFORMATION: Section 117 (c)(2) {Certification} WIA provides that:

"(A) IN GENERAL – The Governor shall, once every two years, certify one local board for each local area in the State."

"(B) CRITERIA – Such certification shall be based on criteria established under subsection (b) {Membership} and, for a second or subsequent certification, the extent to which the local board has ensured that workforce investment activities carried out in the local areas have enabled the local area to meet the local performance measures."

WIA mandates that the Governor recertify Local Workforce Investment Boards bi-annually. To fulfill this requirement, policy and local Board certification processes were developed in 2005.

POLICY:

1. LWIBs will be recertified effective July 1, 2013, for a period of two years provided that:

   - The LWIB meets the membership criteria of WIA Section 117 (b);
   - The LWIB has satisfactorily performed the board functions outlined in WIA Section 117 (d);
   - The LWIB has established a Youth Council or an alternative entity, as specified in WIA Section 117 (h), that carries out required duties;
   - The LWIB has maintained fiscal integrity, defined as having no major unresolved questioned costs, or other major
outstanding audit issues and having no findings of fraud or abuse; and,

- The LWIB will be assessed on its ability to achieve 80 percent or higher on at least seven of the nine performance measures detailed below.

2. There shall be the following two levels of recertification:

**Level I Recertification**
If the LWIB meets all of the requirements in No. 1 above, it will be recertified for a period of two years.

**Level II Recertification**
If the LWIB fails to meet the standards outlined in No. 1 above, it will receive a one-year Provisional Certification designation, provided it establishes an improvement plan and agrees to technical assistance provided by the Department of Labor, Licensing and Regulation (DLLR) Division of Workforce Development and Adult Learning (DWDAL). At the conclusion of the one-year period, the LWIB may be certified for one additional year, provided that it meets the requirements set forth in No. 1 above. At the conclusion of the one-year provisional period, the LWIB may be certified for one additional year, provided that it meets the requirements set forth in No. 1. In the event the LWIB remains in non-compliance, the Governor's Workforce Investment Board (GWIB) may recommend significant action, including decertification and the appointment of a new board as provided in WIA Section 136 (h).
