

Personnel Hoists Level 3 TPQEI Authorization

The Commissioner of Labor and Industry may designate certain qualified persons as a level 3 third party qualified elevator inspector (TPQEI). This TPQEI Level 3 authorization allows the individual to perform pre-final inspections on personnel hoists only. The individual is not authorized to perform TPQEI inspections on any other type of elevator unit.

Those individuals who are interested in performing the level 3 inspections shall comply with the registration and renewal requirements for third party inspectors under COMAR .09.12.81.04-1(c) (1) (a)-(e) and .4-1(c) (2) (b) & (c). In addition to these requirements, the individual shall submit in writing their experience and training in the requirements of ANSI A10.4 and the training shall include instruction from the equipment manufacturer or distributor.

Upon receipt and favorable review of all required documents, the Commissioner will authorize this individual to perform a TPQEI, Level 3 inspection and issue a TPQEI, Level 3 identification card.
