Following an inspection of the above referenced equipment, Safety Violations were identified. It is your obligation to correct the above deficiencies, subject to Article-Public Safety, Title §12 - 814. Failure to comply may result in one or more of the following:

1) State of Maryland/DLLR Elevator Safety Inspection Unit will post notice prohibiting the elevator/equipment from use.

2) State of Maryland/DLLR Elevator Safety Inspection Unit will apply a re-inspection fee of up to $500.00 per unit.

3) If an owner continues to operate an elevator with an expired certificate after notice is issued, the State of Maryland/DLLR Elevator Safety Inspection Unit will proceed to issue citations as allowed by law.
