

Certification of Posting the Wage Requirements Notice

Contract Number: _____

Contract Description: _____

General Contractor's Name: _____

Your firm, as the general contractor, must certify that the attached document entitled "Notice to Employees" will be conspicuously posted at the worksite so that the covered employees are informed about the wage requirements under State law. Certification of this posting is required prior to contract execution. The notice is to be provided in English, Spanish, and any other language commonly used by employees at the worksite.

Please sign below and return this page to the Commissioner of Labor and Industry.

By signing below, your firm is certifying that the "Notice to Employees" will be posted in each of the required languages. This posting must take place upon execution of the contract.
