

How to create NRS Table 4 for NEDP Students

1. Log in to LACES.
2. If **Current Fiscal Year** is in the Search Bar, click **X** to remove it.
3. Click **+ ADD SEARCH**
4. In the **Add Criteria** window, set up a search for **Students.Program contains National**:

Add Criteria

Students.Program contains National

5. Click **APPLY**.
6. You have now selected all students that are in the National External Diploma Program. From here, you can create any NRS Table.
7. On the left side, click on the blue **Searches** to display the Searches menu. Click **NRS**. Hover over **NRS Table 4** (or any NRS Table you want) and choose **ADD**. This will create the NRS Table for your NEDP selection.
