REVIEW ON THE RECORD

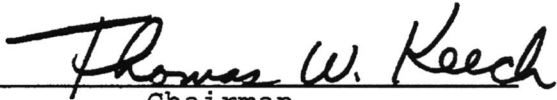

Upon review of the record in this case, and upon a review also of the medical evidence supplied by the claimant along with his letter of appeal, the Board reverses the decision of the

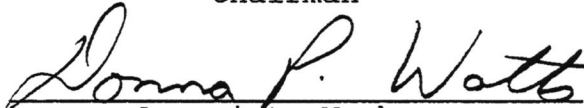

Hearing Examiner. The Board now finds as a fact that the claimant was able to work, and he thus met the requirements of Section 4(c) of the law. Although the claimant suffered physical symptoms as a result of the stress of one particular job, he remained able to work at most positions.

DECISION

The claimant was able to work within the meaning of Section 4(c) of the Maryland Unemployment Insurance Law, from the week beginning May 28, 1989. No disqualification is imposed under this section of the law.

The decision of the Hearing Examiner is reversed.
